We will continue to help provide local youths with driver training skills to handle all conditions on our roads by hosting these events. Following the Festival's Trivia Tour and Hill Climb each year, Connecting Northern Gold Coast presents youth driver training certificates to community nominated individuals. Fundraising since 2014, we will present last years winners at the presentation trophy post event celebrations venue, the Witches Chase Cheese Factory and Fortitude Brewing Company on Mt Tamborine.

It's our belief that the best way to equip today's young adults behind the wheel, is with the knowledge and handling skills needed on today's busy roads. By placing them in real-life situations in the vehicle they may come across whilst travelling, we feel this will better equip them for life, giving them greater opportunities to pass on their experiences to other young drivers by encouraging them to complete the same course.

#### Background to this year's Festival of events:

With this being our 4<sup>th</sup> year, we have invited a select group of clubs and individual cars to this exclusive showing of the best of the best. Calling on their best 2 cars to be judged at the Friday May 18 2018 Concours Gala event in the Brock Garage at Dreamworld, Saturday's Trivia Tour and Hill Climb to Mt Tamborine and also inviting individuals and clubs to present their best 20 cars to this years' Sunday May 20 2018 "Show and Shine" event for cars, boats and aircraft.

*All to help raise money for our youth Driver Training and Youth at Risk programs!*
